

1Timothy 5:9-16

A life of humble, faithful obedience is honored by the church  
and brings honor to the church

# Questions to Consider

- How would you evaluate your reputation for faithful obedience and good works unto the Lord?
- Are there any acts of service too menial or lacking in dignity for you to perform? If so, how does God need to humble your heart and empower you to walk in obedience?
- In what ways are you lazy in your walk with Christ?
- In what ways do you give way to gossip, or meddle in the lives of others in unprofitable ways?
- Do you understand the significance of the public testimony of your life and how it reflects on the Lord Jesus and the church?
