Expectations for Christian Bondservants

Questions to Consider:

- How would you assess the way you honor the authorities God has placed over you? In what ways does God need to grow you in showing honor?
- In what ways do you need to be more aware of the testimony of your life and how it reflects on the honor of God and His word?
- In what areas of your life are you only asking God to change your circumstances rather than empower you to do what is right in the midst of your circumstances?
- In what ways do you find yourself presuming what other believers should do for you rather than giving thought to how you can love and serve other believers?
