

Questions to Consider:

- How immersed in God's word are you and how well equipped are you to identify and refute the false teachings of our day?
- Do you give thought to whether the council and instruction that you give to others is rooted in the truth of God's word? If not, how does God need to transform you?
- Do you ever find yourself engaged in verbal battles just trying to win the argument rather than having a loving concern for the other person's soul? If so, how does God need to help you be more others-oriented?
- By God's grace, how well are you putting to death the deeds of the flesh and manifesting the fruit of the Spirit?
- Is God's word truly the highest authority that governs and directs your life?
